INTERESTS — Machine learning, Information retrieval, Text and Graphical data analysis, Mathematical programming.

GITHUB — Programming at GitHub

EDUCATION — **University of Freiburg**, Freiburg, Germany

Master in Computer Science, April 2015 - July 2018 *Expected*
- Thesis: Clustering of graphs and text for recommendation systems

Master project at Brain-state decoding lab September 2017
- Topic: Data augmentation in brain-computer interfaces (Brain-signal classification)

National Institute of Technology, Kurukshetra, India

Bachelor of Technology, Information Technology, July 2010

WORK EXPERIENCE

Research Assistant May 2016 to present
Bioinformatics and Galaxy
Dept. of Computer Science, University of Freiburg

Senior Software Developer Dec. 2012 - March 2015
Pramati Technologies
Hyderabad, India

Software Developer July 2011 - Dec 2012
MAQ Software
Hyderabad, India

Software Developer July 2010 - June 2011
ProcessMAP
Hyderabad, India

PROGRAMMING — Python, Matlab, JavaScript, HTML, CSS, SQL Server, SQLite

SOFTWARE — Ubuntu, NEMO Cluster (High-performance computing)
